Docket No. 87289.1524

Serial No.: 10/621,317 Customer No. 30734

REMARKS/ARGUMENTS

In the Office Action mailed February 12, 2007, claims 4 and 5 were rejected. Applicants

have thoroughly reviewed the outstanding Office Action including the Examiner's remarks and

the references cited therein. The following remarks are believed to be fully responsive to the

Office Action. All the pending claims at issue are believed to be patentable over the cited

references.

Claims 4 and 5 have been amended. No claims have been added. Claims 2-3 and 7 had

previously been cancelled. As such, claims 1 and 4-6 remain pending.

CLAIM REJECTIONS – 35 U.S.C. § 112, SECOND PARAGRAPH

Claims 4 and 5 were rejected under 35 U.S.C. §112, second paragraph, as being

indefinite for failing to particularly pint out and distinctly claim the subject matter which

Applicants regard as the invention. The above claim amendments directly address all of the

comments included in the Office Action and therefore render this rejection moot.

The corrections to the claims that the Examiner pointed out on page 3 of the Office

Action have also been made.

At least in view of the above claim amendments and remarks, reconsideration and

withdrawal of the rejection of claims 4 and 5 under 35 U.S.C. §112, second paragraph, is

respectfully requested.

CLAIM REJECTIONS - DEFECTIVE REISSUE DECLARATION

Claims 1 and 4-6 were rejected as being based upon a defective reissue declaration under

35 U.S.C. §251. This rejection is respectfully traversed.

Customer No. 30734

The Supplemental Declaration for Reissue Patent Application submitted along with the

Amendment filed on January 24, 2007 was signed by an officer of Core Industries, Inc. As

stated in the Supplemental Declaration, Mueller Steam Specialty is a division of Core Industries

Inc. As such, Applicants point out that, since Mueller Steam Specialty is a wholly owned

subsidiary of Core Industries Inc., the officer of Core Industries Inc. who signed the

Supplemental declaration was entitled to and appropriately did so.

At least in view of the above remarks, reconsideration and withdrawal of the rejection of

claims 1 and 4-6 under 35 U.S.C. §251 is respectfully requested.

Applicants also point out that, as stated in M.P.E.P. §1414.01, if additional defects or

errors are corrected in the reissue after the filing of the application and the original reissue oath

or declaration, a supplemental reissue oath/declaration must be filed, unless all additional errors

corrected are spelling, grammar, typographical, editorial or clerical errors which are not errors

under 35 U.S.C. §251 (see MPEP §1402). Since all of the claim amendments made herein are

either grammar, typographical, editorial or clerical errors, no additional Supplemental

Declaration is necessary.

CONCLUSION

In view of the foregoing remarks, Applicants respectfully request all the objections and

rejections to the specification and claims be removed. If, for any reason, the Examiner disagrees,

please call the undersigned attorney at 202-861-1716 in an effort to resolve any matter still

outstanding before issuing another action. The undersigned attorney is confident that any issue

which might remain can readily be worked out by telephone.
